

Dear _____,

This special treat is to remind you that I'm thrilled to be your child's teacher! Before you eat your treat, read the special message. Search for the marshmallow shapes hidden inside! You should find:

A star to remind you that I'll encourage your child to **always shine!**

A pot of gold to tell your child that **he's worth a million!**

A rainbow to remind your child to **always do his best!**

A blue moon, to help your child understand that once in a blue moon, **we all make mistakes and that is okay!**

A green clover to wish you and your child **good luck** as you begin second grade!

A purple horseshoe to remind "U" that **your child matters to me!**

A red balloon to encourage your child to **soar above the clouds and try new things!**

And most of all---a pink heart to remind you that **I will treat your child with love and respect.**

Thank you for visiting our classroom!
